RE: Barbara Martin

September 12, 2005

To whom it may concern:

I would like to recommend Barbara Martin for your consideration. She has a very good testimony of the saving grace of God. Mrs. Martin has an effective vocal/music ministry. She has the knowledge and ability to sing to small or large crowds. She recently united with the fellowship of our Church in rededicating her desire and talent to the Lord Jesus Christ. She has proven to be faithful and shown a great desire to get the Word of God to many people through vocal music. I am sure you will enjoy her well-trained soprano voice. During our services, she has blessed our hearts in ministry vocal music many times.

I am pleased to recommend Mrs. Martin's vocal talents for your consideration. If you have any question please feel free to call me. My number is 281-369-3721.

Sincerely:

Aubrey Vaughan
